I am honored to tell you that you have been voted and recognized as one of Houston's Top Lawyers For The People by *H Texas Magazine*. Congratulations!

For the last 5 years, we have strived to provide our affluent readers with the most accurate elements possible. A valued resource to our readers, the "Lawyers for the People" list offers the best names in their category. The list is compiled through a combination of peer voting and reader nominations. The votes are tabulated by our research editor; backgrounds are checked, and then the list of nominees is narrowed down to represent the best lawyers in the Houston and greater Houston area.

In the month of February, we will publish the TOP 2-4% of lawyers that have been voted and recognized as the best lawyers in Houston. Your name and contact information will appear in *H Texas Magazine*, which will be distributed to 240,000 active and affluent Houstonians. Please double check your listing above and inform me if any information is missing or incorrect, as this is the information that will be listed in our February issue. Once again, **Congratulations!**
